Snacks!!*

FUN-FOOD™, A MOUSE, & SNACKS FOR CATS!!™

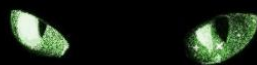

Being facetious. Due to many complaints from the Feline Family, (AKA: Cats of America™) we were mandated to tweak our corporate logo as depicted on the cover of our cat food bag. Our U.S.A. ALL AMERICAT™ FUN-FOOD™ not only contains all of the vitamins & minerals your companion needs to maintain a healthy diet, we surprise with a catnip mouse and some tender beef snacks poured right into the bag!!

Life is too exciting !!

Ask any Math Teacher: 3 products in 1 bag = \$avings on TOYS & TREATS; this makes our FUN-FOOD™ A People Friendly Product™.

Pouring 3 products into 1 bag enables us to cut back on the additional packaging required if the same products were sold separately = Friendly to Environment.

I see you, yes I do!!

I can't sleep!!

FUN-FOOD™, A MOUSE, & SNACKS FOR CATS!!™

Now that we think about this some more, we're thinking that when our FUN-FOOD™ is sold to not-for-profit organizations, the manufacturer of the snacks (as well as the mouse) could provide same to us at "no cost" - we in turn pass the same gesture on to our not-for-profit organizations that in turn will pass savings on to their patrons. Therefore, the manufacturers could write-off 100% of the expense as a donation to charity. Hmmmm !! We need to check on this.

Cover Cat!!*

What is a Cover Cat?? A Cover Cat is a cat that we have chosen to be featured on the cover of our U.S.A. ALL AMERICAT™ food bag. Periodically, a variety of cats will be featured. Some Cover Cats will be gorgeous - others will be raggedly, funny, or scary; Cover Cats from around the world will also be featured - we thought it best to start out with a State of Maine specimen Coon Cat!!
