

In God we trust

HIGH-TEMP RED™ **Lithium Complex (Tacky) Red Grease**

Dropping Point 500°F. minimum, 540°F maximum – NLGI #2
Worked Penetration 280 - Four Ball Wear, mm scar 0.55 mm, Oil Separation, % 5% max
Rust Protection Pass 1, 1, 1 - Four Ball EP Weld, kg 315 - Load Wear Index 45
Low Temp Torque - 3.75 @ -40°C, % Fretting Wear Protection, mg 6.5
Water Washout @80°C, % - Less than 5.0 - Wheel Bearing Life, Hours 100 +
Timken OK Load, 45 - lbs. Min Wheel Bearing Leakage, 7.0
Gms. Oil Viscosity @100°F SUS 1000 @210°F SUS 87 - Viscosity Index, min. 90

HIGH-TEMP RED™ is premium quality multi-purpose tacky-red grease suitable for high-temperature applications. This NLGI #2 grade grease is lithium complex soap-thickened grease compounded with extreme-pressure agents providing excellent load carrying and anti-wear properties.

HIGH-TEMP RED™ meets both the NLGI GC and LB classifications. The high dropping point makes this grease suitable for operating temperatures from -40°F to 350°F with peak intermittent temperature service to as high as 450°F. Because of its versatility, fewer types of grease are needed – therefore - chances of applying the wrong lubricant are minimized.

OUR PROMISE TO YOU:

- * NLGI GC & LB
- * High Temperature Capability
- * Excellent Work Stability
- * Oxidation and Rust Resistance
- * Water Resistance
- * Good Low Temperature Pump-ability
- * Extreme Pressure Characteristics
- * Non-melting – possesses excellent Shear Stability
- * Compatible with Lithium or Lithium Complex Greases
- * Excellent adhesion properties, tacky consistency
- * Recommended for Wheel Bearings in Vehicles having Disc & Drum Brakes
- * Meets the performance requirements of GM 1051344

RECOMMENDED FOR:

Automotive and Industrial applications including:

Trucks / Automobiles / Construction Equipment / Heavy-Duty Industrial Service / Wheel Bearings in vehicles having disc and drum brakes / U-Joints / Chassis / Fifth Wheel / as well as Heavy-Duty Industrial Ball, Roller, and Sleeve Bearing designs.

Ultimate Maintenance – Products you can trust!!
